3 It is on the ground that the scholarship of Rs 25 per mensem is not sufficient for the expenses of a student attending the Intermediate Classes of the Maharani's College, it is decided to increase it to Rs 40 in the case of this applicant, the rate itself should be revised so as to afford the same advantage to every applicant. 19 The information gathered from these papers is noted below

The institution was ~~taken~~ converted into a Govt institution under Govt order 9-26 C-D 11 April 1891 A committee was appointed for the management of the school & it was asked to make recommendations among other matters as to the scale of Scholarships for the approval of Govt It was also observed "that pending orders on the recommendation to be submitted by the Committee (as stated above) the scale now existing of establishment scholarships and other expenditure would remain in force."

SIR

I have the honour to forward herewith a copy of an application dated 30th January 1909 from Srimt Soundarya Bai Govinda Gudu and strongly recommend that Government will be pleased to sanction the prayer contained in this application Having some personal knowledge of the applicant who is an F A student I feel I can testify to her excellence as a scholar She is sure to do honour to herself and the College

The provision for this recommendation, if sanctioned, will be included in next year's budget The scholarship may be raised to Rs 40 a month, the extra amount of Rs 15 a month being for the remaining portion of the present year taken from the provision for Polegar scholarships The Polegar scholarship fund is of the value of Rs 70 a month and Rs 66 a month are lying idle unused for want of applicants possessing the necessary qualifications

It sometimes happens that girls in the V Form in the Maharani's College are given so much as Rs 21 per mensem (inclusive of house rent) Srimt Soundarya Bai will get with house rent Rs 25

28th January 1909,

Bangalore

Sir,

I beg to bring the following petition to your Lordship's notice. I was studying in the Presidency College in the Junior F A class last year, but unfortunately lost my term owing to ill-health. As circumstances now render my residence in Madras impracticable, I wish to join the Maharani's College at Mysore. I wrote to the Lady Superintendent requesting admission and scholarship, she has very kindly decided to allow me a scholarship of Rs 25 per mensem.

I am a non-Brahmin Hindu girl and your Honour will surely be aware of the difficult circumstances attending the education of such. I shall have to be under proper protection and guardianship in Mysore, I shall have to get down some of my relations to live with me, and it will be impossible to make Rs 25 suffice for our needs. I tried to have it supplemented from other sources, like Devaraja Fund, but I was told that only widows were eligible to that scholarship.

I was granted a special scholarship by the Director of Public Instruction in Madras, which is very unusual and I have always stood first in English in the class examinations in the Presidency College. Under these circumstances I hope your honour will not think it presumptuous, if I hope that a special grant of Rs 15 a month will be allowed me by Government to enable me to continue my studies. It has always been my desire to work for my Indian Sisters in the cause of education, and I wish to study so much, with that object chiefly. I hope Government which takes such great interest in the education of the daughters of the land, will not deny me the required scholarship, for otherwise I will not be able to study.

I beg to remain,

Your most obedient servant,

(Signed) Soundarya Bai Govindaraju

Mysore, General and Revenue Departments, Bangalore

SIR

With reference to your D O letter No 7926 dated 13th February 1909 and in continuation of this office letter No 6344/392 of 30th January 1909, I have the honour to inform you that there are at present 12 pupils who are not widows in the Maharani's College in receipt of scholarships varying from Rs 7 to Rs 22-8-0 One Syed H Sitara a Moorish girl getting Rs 17-8 + Rs 5 House rent or Rs 22-8 in the V Form last year is receiving the same amount of Rs 22-8 in the VI Form The aggregate sum received by pupils who are not widows is Rs 121-4

2 In addition to the 12 pupils who are not widows, there are altogether at present 48 widow pupils in receipt of scholarships varying from Rs 5 to Rs 25 The aggregate amount of scholarships given to widows is Rs 470-12

3 A scholarship of Rs 20+Rs 5 for houserent appears to be reserved for Miss S Govindaraju an applicant for admission to the new Intermediate Class to be formed

4 The grand total of the scholarships paid and re ered

reserved is Rs 637 The total amount of scholarships allowed to the [illegible] College is P

5 There are no Orders fixing the number and rate of scholarships except Order No 33 E-S/En 27-04 dated 13th April 1905 This Order states that " the maximum rate of a scholarship, exclusive of housrent may be brought down to Rs 10 as opportunities offer " With reference to this Order I have asked the Lady Superintendent to consider the present distribution of scholarships for 1906 as tentative and subject to revision by Government The Lady Superintendent alters the number and rates of scholarships according to her own discretion from year to year She has apparently made no attempt to carry out the Order of 13th April 1905 which has remained a dead letter so far

6 I enclose a statement of scholarships now held in the College from which the following summary of scholarships tenable in each of the classes is prepared -

	Scholarship	Housrent	
Intermediate (reserved)	Rs 20	Rs 5	
Form VI	75	10	
Form V	60-12	20	
Form IV a	37-8	-	
Form IV b	42-8	8	
Form III	40	6	
Intermediate Form	10	-	
Oriental Class I	10	-	
" II	20	10	
" III	8	3	
Training Lower Secondary	59-	11	
" Primary	19	3	
Vernacular Class V	70	6	
IV	60	3	
III	20	-	
Total	Rs 552	85	=637

7 The whole scheme of scholarships if scheme it can be

be called which rests entirely on the discretion or fancy of the Lady Superintendent requires to be reformed There is a great waste of funds which are now enjoyed only by a limited class of pupils belonging to Mysore City The first obvious reform is to make the scale of widows' scholarships in the Maharani's College the same as has been sanctioned for widow pupils in all other schools of the Mysore Province The latter scholarships for pupils of both Government and Aided Schools are paid by the Department from an allotment of Rs 228 per mensem or Rs 2730 Rs per annum sanctioned by †Order No 10254-6/Ld(EC-05)-7 dated 2nd April 1906 According to the scale fixed by the above Order the scholarships of widows now reading in the Maharani's College will amount to Rs 256, whereas at present the scholarships actually given to them amount to Rs 490-12 There is no reason why widows in Mysore should be paid at higher rates than in other places I recommend therefore that a sum of Rs 300 + Rs 16 at the rate of Re 1 per pupil for 16 widows learning English in the Vernacular classes III IV & V be added to the amount of Rs 228 per mensem for Widows' scholarships sanctioned by the above Order and the scholarships of all widows whether reading in the Maharani's College or other schools to be fixed on the same fixed scale by the Inspector General at the beginning of the year To this amount should be added a provision of Rs 64 a month for guardian allowances to 16 widows out of the 48 at Rs 4 a month as proposed in para 9 below making a total of Rs 340 a month to be added to the Rs 228 already sanctioned In addition to the above scholarships it will be open to the Trustees of the Devaraj Bahadur scholarships to grant scholarships to other widows reading in the Maharani's College

† Copy enclosed

2 The second reform necessary is that the scale of scholarships fixed by the above Order for widows should not be exceeded for non-widows, whose needs are decidedly smaller than those of widows According to this scale the scholarships of the 12 non-widow pupils reading up to Form VI will amount per month to Rs 65 + Rs at Re per pupil for four pupils learning English in the Vernacular Classes In round figures Rs 75 may

may be provided for scholarships of non-widow pupils

9 In addition to scholarships I would present the custom of the Maharani's College is to give from Rs 3 to 5 a month as allowance to widows and others who are supposed to come from outside Mysore There appear to be no terms or conditions attached to the giving of the allowance, and the allowance is practically an enhancement of the scholarships In the Government scheme of widows' scholarships in place of the present a guardian allowance of Rs per mensem is given in addition to the scholarship, "as far as funds permit" For guardian allowances to 16 widows in para I have recommended a provision of Rs 64 a month Similarly for the guardian allowances of four non-widow pupils I propose a sum of Rs 16 a month

10 For each of the two Intermediate Classes of the Maharani's College I propose to reserve two scholarships of Rs 15 a month or Rs 60 a month in all

11 In addition to the four scholarships for the Intermediate Classes of the Maharani's College, I would recommend that four ~~additional~~ more scholarships of Rs 15 each for matriculated Hindu or Native Christian girls ^ enable in the Central College and the Maharaja's College may be provided The Maharani's College will at best be able to teach only one group of subjects of the Intermediate Examination Those who desire therefore to study other groups or have no objection to study in the Central College or Maharaja's College should be free to do so

12 I would make the Government scholarships upto the VI Form open only to Mysorean girls, but open the eight scholarships for Intermediate Classes to all Hindu caste girls and native christian girls whether of Mysore or other parts of India

13 The effect of the above proposals will be as follows -

Scholarships	Amount Rs	By whom awarded
Scholarships of 48 widows in the Maharani College	276	The Inspector General
Guardian Allowances of 16 widow pupils at Rs 4 each	64	Do

Scholarships	Amount Ps	By whom administered
Scholarships to non-widow pupils upto the VI Form in the Maharani's College	75	The Lady Superintendent
Guardian Allowances of four non-widow pupils in the Maharani's College,	16	Do
Two scholarships of Rs 15 in each of the Intermediate Classes of the Maharani's College, Rs 15X4	60	Do
Two scholarships of Rs 15 each tenable in the first and second year Intermediate Classes of the Central College or the Maharaja's College	60	The Inspector General
	Ps 551	

14 I recommend that the above proposals may be sanctioned and the award of scholarships to widow and non-widow pupils reading upto the Intermediate Examination be reduced to a quarter The savings to Government will be Rs 91 a month out of the Rs 642 now sanctioned for the Maharani's College, and more savings will occur when the Intermediate ~~scholarships~~ are not availed of

I have the honour to be

Sir,

Adverting to the correspondence ending with Mr Bhaona's letter No 7447/7478 46 dated the 26th February 1909 regarding the revision of the scale of Scholarships in the Maharani's College, Mysore, I am directed to request that you will be so good as to draw up and submit to Government a set of rules for the award of Scholarships to female pupils based on the following principles -

(1) These Scholarships shall be tenable in institutions in Mysore selected by the pupils The amount to be paid to an in the Maharani's College shall be settled separately If the present allotment for the Maharani's College is considered

considered too high, a part of it (not exceeding a fourth) may be set apart for General Scholarships, and, if necessary, proposals maybe made for the increase of the allotment for Scholarships

(ii) Scholarships shall not be given below a certain standard, say, the Lower Secondary Standard in Kannada or a still lower in Sanskrit or English and Kannada

(iii) They shall be awarded according to merit in the class and be accordant on proper norms

(iv) The rates and number of scholarships in each Standard shall be fixed The value of the Scholarships may be fixed at Rs 15/- for the Intermediate classes, at Rs 10/- for the Matriculation and Fifth Forms and at Rs 5/- for the lower classes

(v) Widows without proper support, and pupils of classes who generally receive education at an early stage shall have preference over others and may be awarded Scholarships

Scholarships at rates 50 per cent higher than others

(vi) Pupils who come from outstations whether for study in the Maharani's College or elsewhere, may be given house rent or guardian allowance not exceeding Rs 5/- each

(vii) The Lady Superintendent of the Maharani's College shall be empowered to award Scholarships & in the colleges under the rules and to make any variations when unavoidable with the previous sanction of the Inspector General of Education within the limits of the Budget allotment

(viii) These Scholarships shall be independent of any from the Dowry Endowment or Charity Funds or other private sources but these Scholarships for Hindus under the present rules may be co-operated with

2 If in any respect a deviation from the lines above laid down be considered necessary

necessary in regard to the Maharani's College in particular the same should be indicated in the proposal which you may send us

In framing the rules for the Scholarships I am to request that you may take the opinions of the Lady Superintendent of the Maharani's College, the Head Mistresses of the Bangalore Girls' Schools and the Circle Inspectors and others whom you may consider it advisable to consult

I have the honor to be
Sir,
Your most obedient servant
